Sheep will be released at 6PM Monday, July 4, 2022

ALL MARKET LAMBS MUST BE SLICK SHORN (SHOW RING READY) PRIOR TO WEIGH-IN

1. Market Lambs may be Wether Lambs or Ewe Lambs. No Rams shall be allowed in Market Class.
2. Animals shown in breeding classes may not be shown in market classes and animals shown in market class are not eligible to be shown in breeding classes, this includes flock, pen of lambs, get of sire & breeding pairs.
3. All market lambs shall have been born on or after Sept. 1, 2021. Missing lamb teeth or evidence of yearling teeth shall disqualify entry.
4. Market lambs must be marketable and will be judged accordingly.
5. Minimum weight 75 lb.
6. The superintendent shall oversee and supervise the weigh-in. His decision at the scales is final and once an animal's weight is determined and that animal is placed in appropriate weight class, **ABSOLUTELY NO CHANGES WILL BE ALLOWED.** Exhibitor must confirm exact weigh-in time with superintendent and the exhibitor alone is responsible to see that his animals are present at time specified. It is highly recommended that exhibitor is present for weigh-in procedure.
7. Class weight splits will be made after weigh-in.
8. All animals will be weighed separately.
9. Pair class weight split shall be determined by total weight of two individual lambs of exhibitors choice after weigh-in. Exhibitor shall submit his pairing choice in writing, identified by weigh-in number to department superintendent. Absolutely no changes will be made once exhibitor has made his choice of pairings.
10. All market class animals will be identified by paint brand or ear-tag at time of weigh-in. Any animals without Weigh-In ID. will not be allowed to compete in the market lamb show. Animals with Weigh-In ID will not be allowed to compete in breeding classes.
11. Exhibitors showing more than two market lambs should be selective in making their animal choices and shall make note of the following state regulation: "Maximum of two premiums will be awarded to the same exhibitor under the same premium number." Example: Exhibitor has three entries that end up in the same weight split class; exhibitor would be paid only two monies in that class. The fair cannot predict the number of entries, nor can the fair predetermine where weight splits will occur.
12. There will be no icing, toweling, or painting of market lambs allowed.
13. This show is not intended for exhibitors who feed and prepare market lambs using unnatural or artificial means.
14. Market lambs showing signs of stress due to unusual handling methods or symptoms of health distress from possible use of drugs or steroids will not be allowed to show.
15. Market lambs whose physical structure has been altered in any way (i.e., removal of ribs, etc.) will not be allowed to show. This does not include castration procedures.
16. The Grundy County Fair reserves the right to, at any time, order an inspection or blood test of lambs by a veterinarian of the Fair's choice, and may, at the Fair's discretion, reject any and all animals.
17. Read and understand this premium listing before making entries. All entries once made are absolutely final.
