CLASS R IS DIVIDED INTO THREE CLASS DIVISIONS Class R1 –Ponies, Class R2 –Horses and Class R3 - Therapeutic Riding Competition. The following rules apply to all three divisions along with rules found under each individual class division, which apply only to that particular division.

- 1) All rules and regulations as published in premium book shall apply and will be adhered to.

- 5) Open territory show unless otherwise stated.
- 6) **EVERY ANIMAL SUBJECT TO MEASUREMENT.** Horses are not allowed in pony classes and ponies are barred from horse classes. Registration Papers in hand prevail over actual measurement. In the case of grade, non-registered animals the actual measurement will be the defining factor. For this show any animal UNDER FIFTY- SIX (56) INCHES will be considered a PONY.
- 7) **The Secretary's Office assigns an EXHIBITOR NUMBER for each exhibitor. This number must be prominently displayed upon the back of the person showing the animal at all times the animal is in the show ring. Be sure the correct number is displayed, as NO CHANGES will be made in the Judges books once the class has left the show ring.**
- 8) The Grundy County Fair will not be held responsible for any loss, personal injury or damage to any person, animal or for any article of any kind or nature that may be lost, destroyed or in any way damaged. The Fair Board reserves the right to cancel any entry or entries, any class(s) or cancel any award(s) without claim for damages. The decision of the Judge is final. Exhibitors are warned that any act of discourtesy or disobedience to any show official on the part of owner, groom, rider or driver will disqualify the entry for any premiums. The Grundy County Fair reserves unto itself the right to remove any owner, groom, rider, driver or the animal without being liable for any compensation or damages.
- 9) As classes may not be shown in the exact order as shown in the premium listing, the exhibitor alone shall be fully responsible for being aware of when their respective class is due in show ring. When final call to class is made the ring gate will close and will not reopen until class is finished. All exhibitors must be ready for their class by the time the previous class ends. Failure to do so will disqualify the entry with no refund allowed or any responsibility on the part of the show officials or the Grundy County Fair.
- 10) Registration papers are not required on any animal entered within Class R. Registration Papers will be defining factor for size questions.
- 11) No pony or horse may double back in the same class with a different rider or driver with the exception of those animals used in R3 Therapeutic Riding Competition.
